PUBLISHERS' NOTE

We are happy to offer this helpful booklet, *Prayers and Sadhana*, that includes the heart of Gurudev Sri Swami Sivanandaji's teachings as well as all the morning prayers and the National Code of Conduct.

It is generally acknowledged that the essence of all the spiritual practices contained in the books of Sri Gurudev is found in his *Twenty Important Spiritual Instructions*, *Sadhana Tattva* and *Universal Prayer*. Gurudev has declared that these constitute the essence of all spiritual Sadhanas. Therefore, seekers who practise these Sadhanas earnestly shall be progressively moving towards the goal of life, God-realisation.

The Spiritual Diary and Resolve Form were very close to Sri Gurudev's heart. They help devotees to evaluate the progress of their Sadhana as well as help in setting sound and realistic goals.

The National Code of Conduct is a unique gift from our most revered President, H.H. Sri Swami Chidanandaji Maharaj, designed to make us ideal citizens of our Motherland. Anyone who understands the spirit of this National Code of Conduct and practises it shall not only enrich his/her personal life, but shall also help to maintain the culture of this great country and its people.

Let this booklet be a guide to the Branches, the Y.V.F. Academy students and a blessing to all the Members is our humble prayer. May God and Gurudev bless one and all.

Work cannot bring misery. It is the attachment and identification to work that brings in all sorts of worries, troubles and unhappiness. Understand the secret of Karma Yoga and work without attachment and identification. You will soon attain God-consciousness.

Part III Translations

SALUTATIONS TO THE GURU

(GURU STOTRAM MEANING)

1. I prostrate to that Satguru, the Brahman, who is bliss, who is the giver of supreme happiness, who is absolute knowledge, who is beyond the pairs of opposites, who is vast like the ether, who is attainable through assertions like "Tat Twam Asi", who is one, eternal, pure and changeless, who is the witness of all the states of the mind; who transcends modifications, who is devoid of the three modes (of Prakriti).

2. I prostrate to that Sri Guru, who is himself Brahma, Vishnu and God Maheshwara, and who is verily the Supreme Absolute Itself.

3. I prostrate to that Sri Guru, who has opened with the collyrium stick of divine knowledge, the eyes of him who was rendered blind by the darkness of ignorance.

4. I prostrate to that Sri Guru, who pervades the movable and the immovable universe as an unbroken infinitude of form, and who has shown the state of the Infinite Brahman.

5. The form of the Guru is the basis of meditation, the feet of the Guru are the basis of worship, the words of the Guru are the basis of Mantra, the Grace of the Guru is the basis of liberation.

6. Prostration to the Guru, who is Siva (bliss and auspiciousness), who is the embodiment of Existence-Knowledge-Bliss, who is beyond world-consciousness, who is peaceful, without any support and self-effulgent.

7. I prostrate to that Guru, who is the eternally pure Brahman, free from reflection, formless, taintless, eternally awake as pure consciousness and Bliss.

PEACE CHANTS

(SHANTI MANTRAS-MEANING)

1. Om. May Mitra, Varuna and Aryama be good to us. May Indra and Brihaspati and Vishnu of great strides be good to us. Prostrations to the Brahman. Prostrations to thee, O Vayu, who art the visible Brahman. I shall proclaim Thee as visible Brahman. I shall call Thee the Just and the True. May He protect the teacher and me. May He protect the teacher. Om Peace, Peace, Peace.

(Krishna-Yajurveda, Taitteeriya Upanishad)

2. Om. May He protect us both (teacher and taught). May He cause us both to enjoy the bliss of Mukti. May we both exert to find out the true meaning of the scriptures. May our studies be fruitful. May we never quarrel with each other. Om Peace, Peace, Peace.

(Krishna Yajurveda, Katopanishad)

3. Om. May He, the Lord of all, pre-eminent among the Vedas and superior to the nectar contained in

them, bless me with wisdom. May I be adorned with knowledge of Brahman that leads to Immortality. May my body become strong and vigorous (for practising meditation on Brahman). May my tongue always utter delightful words. May I hear a lot with my ears. Thou art the scabbard of Brahman hidden by worldly taints (and not revealed by puny intellects). May I never forget that which I have learnt. Om Peace, Peace, Peace.

(Swarupa Bodha Upanishad and Taitteeriya Upanishad)

4. Om. I am the destroyer of the tree (of Samsara). My reputation is as high as the top of the hill. I am, in essence, as pure as the Sun. I am the highest treasure. I am All-wise, Immortal and Indestructible. This is Trisanku's realization. Om Peace, Peace, Peace.

(Brahmanubhava Upanishad and Taitteeriya Upanishad)

5. Om. That is whole. This is whole. From the whole, the whole becomes manifest. From the whole when the whole is removed what remains is again the whole. Om Peace, Peace, Peace

(Sukla Yajurveda—Isavasya Upanishad)

6. Om. May my limbs, speech, Prana, eye, ear and power of all my senses grow vigorous. All is the Brahman of the Upanishads. May I never deny the Brahman. May the Brahman never desert me. Let that relationship endure. Let the virtues recited in the Upanishads be rooted in me. May they repose in me. Om Peace, Peace, Peace. (*Sama Veda—Kenopanishad*)

7. Om. Let my speech be rooted in my mind. Let my mind be rooted in my speech. Let Brahman reveal Himself to me. Let my mind and speech enable me to grasp the Truth of the Vedas. Let not what I heard forsake me. Let both day and night be continuously spent by me in study. I think Truth. I speak Truth. May that Truth protect me. May that Truth protect the teacher. Protect me. Protect the teacher. Om Peace, Peace, Peace.

(*Rig Veda—Itareya Upanishad*)

8. Om (Salutations). May my mind, and all these (body, Indriyas, Pranas, etc.) be good and well. Om Peace, Peace, Peace. (*Brahma Rahasyopanishad*)

9. Om. O Worshipful ones, may our ears hear what is auspicious. May we see what is auspicious. May we sing your praise, live our allotted span of life in perfect health and strength. May Indra, who is extolled in the scriptures; Pushan, the all-knowing; Tarkshya, who saves from all harm; and Brihaspati who protects our spiritual lustre, vouchsafe success in our study of the scriptures and the practice of the truths contained therein. Om Peace, Peace, Peace.

(Atharva Veda Prasno Upanishad)

10. Om. who created (the four faced) Brahma in the beginning, and who delivers to him the Vedas, to Him, to that God, who is the light of the soul, and the intellect, I being desirous of liberation, do resort as shelter. Om, Peace, Peace, Peace.

(Yogasara Upanishad)

EARLY MORNING PRAYER

(PRATASMARANAM—MEANING)

1. In the early hours of the morning, I think of the Self which shines in the chambers of my heart, which is of the nature of Existence, Knowledge, Bliss-Absolute, which is the goal of the Paramahamsas and which is the fourth state of Consciousness, I am that Brahman which is Nirguna and eternal, beyond the three states of consciousness—waking, dreaming and deep sleep, and I am not composed of the elements.

2. In the early hours of the morning, I adore Him who is the God of Gods, who is beyond the reach of mind and speech, and by whose Grace alone speech is illumined, whom scriptures describe by the Neti-Neti formula, who is unborn, Achyuta, and the Primordial Being.

3. In the early hours of the morning, I bow down to that Purusha who is beyond darkness, who is of the

brilliance of the sun, who is full, eternal, and in whom this universe appears as a snake in the rope.

4. He who reads these verses which are auspicious, the ornament of the three worlds, attains to the Supreme State (of self-realisation).

MAHA MRITYUNJAYA MANTRA (MEANING)

We worship the Three-Eyed One (Lord Siva), who is fragrant and who nourishes well all beings. May He liberate us from death for the sake of immortality, even as the cucumber is severed from its bondage (to the creeper)!

MANGALA CHARANAM

1. May peace and auspiciousness be unto all beings. May the kings rule the earth in all righteousness (according to Dharma and truth). May auspiciousness be unto all, cows and Brahmins. May all the worlds be happy.

2. Let the rains come in timely fashion (and make) the earth (filled) with plenty and abundance. Let the country be without any trouble, and may the Brahmins and saints (live in peace) without any fear (of persecution).

3. Let there not be any inauspiciousness. May Brahman, the Supreme Being, bless mankind with good children and grant all auspiciousness (to us).

4. That which has an extremely auspicious appearance, which is the eternal source of all auspiciousness, which grants the wishes (of all those)

who meditate upon It, know that Brahman as all auspiciousness.

5. In the beginning, it is said, that the two sounds OM and Atha (now) came from (the throat of) Brahman and therefore they are auspicious.

10. O Lord, Thou art my mother and Thou art my father; Thou art my relative and my friend; Thou art

knowledge and wealth unto me; Thou art my all-in-all,
O Lord of lords.

11. Whatever I do with my body, speech, mind
and senses; by my intellect, self or nature, all these I

12. Glory to the Supreme Lord

Glory to the Lord of the Universe

Glory to Lord Shankaracharya

Glory to Satguru Sri Swami Sivananda

Maharaj.

Glory to the Divine Name

Glory to Mother Ganga

Salutations to Lord Siva,

the God of the gods who removes all our
afflictions.

Selfless service is a necessity. It is very pleasant to hear 'I am Brahman'. But what is your real worth? A *vedantin* is not one who advertises 'I have realised God'. Vedanta is an aroma that emanates from the Self-realised sage. He need not advertise 'I am a *vedantin*.' Wherever there is suffering, he rushes to help. He shares his knowledge with others. He serves and elevates others.

NATIONAL CODE OF CONDUCT

(For Citizens of India)

1. Patriotism: Our Motherland should be our first and highest consideration. Welfare of the Nation is our own welfare. Therefore, let us willingly be ready to offer up even our own life for our country. Let us inculcate in our children and members of our family love for our country, the spirit of patriotism and of service to our country and to our fellow citizens.

2. Duty: Our first and foremost duty is to God and to Righteousness. Leading a righteous life is the best and most valuable service of our Nation as it will add to the glory of our Motherland.

3. Character: Character is the greatest wealth. A pure, incorruptible citizen is the greatest asset

of our Nation. This is vital and indispensable. Therefore, good character is to be given top priority value; upon this depends our Nation's welfare and its future stability.

4. Health: Health is the basis of success. Health is wealth. Next to character, it is the greatest national asset. As citizens, our primary duty to the Nation should be building up character and safeguarding health.

5. Virtue: Let us join hands and eradicate the evils of gambling, liquor-drinking, drug-taking, tobacco-smoking and betel-chewing. Let us eradicate the evils of bribery, corruption, selfishness, immorality, dishonesty and misconduct. Disloyalty to our Nation is a crime and unpardonable anti-national offence.

6. Public Property: O Citizen! We are the custodians of all public property. Let us not spoil, misuse, steal or destroy National property. Let us

preserve it with love and care. Let us keep our country neat and clean. This is our sacred duty.

7. One Family: All our citizens are brethren. Let us feel this fraternity. Let us all love one another and be united because we are One family.

8. Religion: We must have equal reverence for all religions, creeds and faiths. Let us love as our own brothers the followers of all faiths. Let us treat others as we wish to be treated by them. All communities should be united by the bonds of mutual love.

9. Non-violence: At all costs avoid every type of violence and hatred, for this is a blot on the fair name of our Nation. It is soul-killing and causes great harm to our country's welfare and development. It is totally opposed to our Nation's ideal.

10. Economy: Adopt simple living and high thinking as your way of life. Do not be extravagant. Let us avoid waste. Let us practise frugality. Let us share

what we have with our less fortunate fellow citizens. This is a National virtue that our India needs today.

11. **Law:** Let us respect the Rule of Law and uphold social justice. In this lies the guarantee of our Country's welfare and orderly progress towards a better India today and tomorrow.

12. **Ahimsa:** Non-injury is our highest virtue (*Ahimsa Paramo Dharmah*). Compassion is a divine quality. Protection of animals is our sacred duty. This is India's special teaching. Let us be compassionate towards all creatures. Thus be a true Indian. Try and become the embodiment of kindness to animals. Adopt compassion and goodness in your everyday life and activities.

13. **Ecology and Environment:** Man and Nature are inseparable. Man and his natural environment are interrelated and mutually interdependent. Everything in nature contributes to our protection and nourishment. Let us, therefore, protect our natural environment.

Helping in maintaining the ecological balance is our duty. It is indispensable for our safe living and all-round welfare. Polluting of public places and polluting of air and water of the country is a national crime. We must make amends for our past lapses.

14. Unity: The more united the people of a country, the greater is their ability to withstand all dangers and overcome all obstacles. United we stand, divided we fall. This is particularly true about today's India. Therefore, let us live in close harmony and loving goodwill with all our countrymen. Love of our country means love of our countrymen. This is the most invaluable service a Citizen of India can offer to his Motherland, Bharat. Unity is needed to make our country invulnerable and strong.

15. Education: The process of education should incorporate within it, the imparting of the basic knowledge of India's great culture, its lofty ideals and noble values and principles of living. Our education has

to be oriented for enriching and enhancing the quality of life of our youth and students. It should make us true Indians.

THE GOAL OF LIFE

O man! The Goal of life is God-realisation. God-realisation grants Supreme Joy, Peace and Fearlessness. Most precious is human birth. Utilise this birth to attain God. Life is short. Time is fleeting. Waste not time. Engage in noble deeds. Be up and doing upon the path of Divine Life.

Serve, Love, Give, Purify, Meditate, Realise. Be good; do good. Be kind; be compassionate. Practise non-injury, truth and purity. This is the foundation of Yoga and Vedanta. Adapt, adjust, accommodate. Bear insult; bear injury. Serve all. Love all. Embrace all in the Oneness of the Spirit. This is Divine Life.

Enquire 'Who am I?' Know thy Self and be free. Thou art not this body, not this mind. Thou art Immortal Self. Thou art unborn, eternal, changeless, indestructible, ever-pure, all-perfect Spirit or Atman. Realise this and be free. This is your foremost duty. Do this through selflessness and service, devotion and

worship, purification, concentration and meditation.
Attain God-realisation. Do it now. Abide in Bliss, Peace
and Perfection for ever.

—Swami Sivananda

YOGA FOR THE PRESENT AGE

The Goal of Life is the Realisation of the SELF. It is the attainment of Immortal Life and Eternal Bliss. This is done through Sadhana. Living your life in an ideal manner where all your actions tend to take you

nearer and nearer to God each moment is the surest means of growing into divinity spontaneously. This implies a harmonious development of all faculties of head, heart and hand in man. Man is a complex being, varying vastly in temperament one from another. It is through a beautiful, rational combination of the

different Sadhanas that such all round spiritual development is had. To this end Sri Swami Sivanandaji has expounded the Yoga of Synthesis, i.e., a combination of Seva, Bhakti, Yoga and Jnana. Thus to enable everyone to have the knowledge of all these Sadhanas, the Divine Life Society founded by him is ceaselessly working to disseminate this knowledge of a Divine Life of service, love, meditation and realisation.

The Society's crest given above brings out beautifully this ideal and aim through the details of its design. The central Pranava (OM) represents the ultimate Goal, viz., the realisation of the Infinite Self. This is attained with the dawn of time knowledge (Brahma Jnana) represented by the brilliant rising Sun. The highest knowledge and the highest devotion (Para Bhakti) are identical. Knowledge emerges spontaneously out of the fullness of mature love for the Lord. The heaving ocean waves stand for this Bhakti. The multi-petalled lotus surrounding the above symbolises the mystical Chakras through which the Kundalini passes to unite with Siva in Sahasrar Chakra

in deep meditation. It is untiring selfless service that purifies the heart thoroughly and qualifies one for the practice of Bhakti, Dhyana and attain Knowledge. Such Karma Yoga or service done as worship offered to the Lord is represented in the crest by the two hands holding flowers. The Divine Life Society under the inspiration of the saintly Founder Sri Swami Sivanandaji is propagating this integral Yoga of the fourfold path to enable every type of person to achieve all-round perfection in life. We pray that the Lord might inspire us to engrave this inspiring crest upon the tablets of our heart! May we all strive selflessly to awaken and illumine humanity through this universally applicable Yoga of Synthesis!
